HAPPY NEW YEAR!

It's hard to believe we are already almost done with January! Time certainly flies, doesn't it?

Before you know it, one of the best holidays of the year will be here. Valentines Day! Flowers and chocolate are nice, but don't last very long. How about getting a **"Sweet Cat" for your Sweetheart?**

Of the approximately 120 wonderful animals we have at the sanctuary, over half of them still have not been "adopted." How about making this Valentines Day something that your sweetheart will remember all year long? If you adopt a cat in February, you and your special someone can come out and personally pick which animal you would like to adopt together.

We will tour the facility via golf cart, and I will personally show you the animals available for adoption. This will be a special memory that will last a lifetime.

OTHER WAYS TO HELP THE ANIMALS

- One of the best ways for people to get involved is to come out to the sanctuary. We have **Tour Passes** available for \$10 each. Get them for all your Valentines and help us introduce people to this amazing experience.
- **Volunteer!** Go to our website and see how this activity can help us and be fun for you.
- Have a **fundraiser** for us. Make your next party or business function really special! **What a perfect Birthday Party, Graduation Gift, Anniversary . . .)**
- **Memorial Donation:** What better way to remember a great animal lover? For those who have passed away, adopt an animal in their name, and keep their memory alive.

THANKS!

Thank you to all the new "parents" who have adopted animals in 2009, and thank you to all the people who have supported the sanctuary for so many years. Your commitment and support is what makes it possible for us to keep doing what we do. And thank you to all the volunteers and staff members whose dedication is amazing. And thanks to Nick and Julie for dedicating your life's spirit to all the amazing animals!

If you have any questions or want more information, please contact me at Annie@serenityspringswildlife.org.

Happy Days to All of YOU!

Annie Schmitt
Adopt-a-Cat Program Coordinator
